2	<p>STANDARD FORMAT OF FARE RULES IN SECTION III</p> <p>Fare rules in this tariff in Section III appear in standardized format. Conditions governing the fares are described in paragraphs (A) through (P). Each paragraph is assigned a letter from A through P and retains that letter in every rule. When a paragraph is marked "Intentionally left blank", provisions outlined in this rule and in Sections I and II of this tariff will apply.</p> <p>(A) APPLICATION This paragraph includes the following items: (1) <u>Applicable Area</u> (The general or specific areas between which the fares apply.) (2) <u>Class of Service</u> (The class of service applicable.) (3) <u>Type of Transportation</u> (The type of travel permitted, e.g. one way, round trip, circle trip, open jaw.)</p> <p>(B) COMBINATIONS This paragraph includes provisions governing the combination with published arbitraries and local fares. This paragraph may also include additional provisions for the combination of 50 percent of a published round trip fare with another fare to construct round trip/circle trip/open jaw transportation. The following general rules apply to the combination of fares.</p> <p>C +[C](1) Any one-way fare may be combined with any other one-way fare that permits the combination provided all conditions of the fares are met. End-to-end combinations are permitted, and all travel must be via the point of combination, unless otherwise specified.</p> <p>(2) Unless otherwise restricted in the specific fare rules, 50 percent of a round trip fare published in this tariff may be combined with 50 percent of a similar fare published by another carrier in another tariff.</p> <p>C +[C](3) (a) When fifty percent of a published roundtrip fare is combined with 50 percent of another roundtrip fare, the most restrictive rules apply. (b) Except for end-to-end combinations, and unless otherwise specified, any roundtrip transatlantic fare that would otherwise be combineable with another roundtrip transatlantic fare on a half-roundtrip basis, is subject to the provision that both fares to be combined must apply for travel originating in the same direction from and the same geographical areas.</p> <p>C +[C](4) Unless otherwise specified in the fare rule, fares may be combined with arbitraries. (5) Unless otherwise specified in the fare rule, fifty percent of a Midweek fare may be combined with fifty percent of a Weekend fare.</p> <p>(C) PERIOD OF VALIDITY (1) Unless otherwise specified in the governing fare rule, all fares are valid during the entire year. (2) When fares apply only during certain periods (e.g. "Basic" or "Peak" seasons) referred to in a rule, travel must be commenced during such period(s). (3) Unless otherwise stated, the date of commencement of travel on the first outbound international sector shall determine the respective round trip seasonal level to be applied. (4) <u>Day of Week Travel Restrictions</u> (a) The date of the first international, transoceanic flight of each fare sector will determine type of fare to be applied to such sector. (b) <u>Midweek/Weekend Fare Application</u> - Fares designated as Midweek apply for travel on transoceanic flights operating on Mondays, Tuesdays, Wednesdays and Thursdays. Fares designated as Weekend apply for travel on transoceanic flights operating on Fridays, Saturdays and Sundays. The statement "normal provisions apply" will appear in this paragraph unless an exception exists, in which case, the appropriate Midweek/Weekend periods will be specified in the applicable fare rule. (5) If there are restricted travel days, those restrictions will be specified in this paragraph.</p> <p>(D) SURCHARGES This paragraph will include any special surcharges (i.e. weekend surcharges, holiday surcharges, etc.) which must be added to the published fare.</p> <p>(E) LENGTH OF STAY This paragraph will include any minimum/maximum stay requirements. (1) <u>Minimum Stay</u>: Return travel from the last point of stopover (i.e. on the last continuous sector) may not commence prior to the minimum stay period stated in the rule, after the date of departure from the point of origin. When no minimum stay period is stated in a rule, return travel may commence at any time within the period of validity of the fare. (2) <u>Maximum Stay</u>: Return travel on the last continuous sector (i.e. from the last point of stopover) must commence by midnight of the last day of the maximum stay period stated in the rule, after the date of departure from the point of origin. (1) GROUP REQUIREMENTS (Continued)

(3) Eligibility

(a) This paragraph includes any special requirements making a person or group of persons eligible for a particular fare.

(b) Affinity Group Requirements

(i) The travel group must be formed only from Affinity Groups, i.e., member (or employee) of the same association, corporation, company or other legal entity (referred to as the "Organization").

(ii) The principal purposes, aims and objectives of the Organization, must be other than travel.

(iii) Sufficient affinity must exist prior to the application for transportation in order to distinguish and set the group apart from the general public.

(iv) Each member of the travel group must be a member of the Organization at the time of application for the group fares discount and must have been a member for at least six months immediately prior to the date of commencement of travel.

(v) The travel group may include the spouse and dependent children of a member of the Organization from which the party to be transported is drawn. In addition, parents living in the same household as a member may be included. However, any such spouse, dependent children or parents must be accompanied on the flight by such member, unless the member has been compelled to cancel his passage.

(vi) Limitation of Solicitation

With respect to the formation of Affinity Groups:

(aa) Solicitation is limited to personal letters, circulars and telephone calls addressed to members of the Organization, to group publications intended solely for members of the Organization (or for members of the federation or organization to which the Organization belongs) and to any other form of solicitation not defined as public solicitation in paragraph (vii) below.

(bb) Solicitation must be effected only by officials of the Organization or members of the travel group.

(cc) The travel group must not be gathered directly or indirectly by a person engaged in soliciting or selling transportation services or providing or offering to provide transportation to the general public. However, the mere ascertainment of the group fare and/or its collection from members of the travel group will not of itself be considered as engaging in such acts.

(dd) If the organizers of the travel group employ a travel agent to assist in the travel arrangements, he must in no way solicit members of the travel group. However, after the party to be transported is formed, the travel agent may contact members of the group for the purposes of arranging other travel services in addition to assisting in travel arrangements.

(vii) Definition of "Public Solicitation"

Public solicitation will be considered to exist when the group transportation is described, referred to, announced in advertisements or any other writing or means of public communication, whether paid or unpaid, including but not limited to, telephone campaigns, radio, telegraph and television. However, a statement in public news media other than advertisement, which could not reasonably be construed as calculated or likely to induce travel as a member of the travel group and which has not been initiated by the Organization, any member of the travel group carrier or an agent or representative of any of them, will not be considered public solicitation.

Unless otherwise specified in the fare rule, in order to determine the minimum group size, two children each paying at least 50 percent of the applicable group fare will be counted as one member of the group.</p> <p>(2) <u>Eligibility</u></p> <p>(a) <u>Affinity Group Requirements</u></p> <p>(i) The travel group must be formed only from Affinity Groups, i.e., member (or employee) of the same association, corporation, company or other legal entity (referred to as the "Organization").</p> <p>(ii) The principal purposes, aims and objectives of the Organization, must be other than travel.</p> <p>(iii) Sufficient affinity must exist prior to the application for transportation in order to distinguish and set the group apart from the general public.</p> <p>(iv) Each member of the travel group must be a member of the Organization at the time of application for the group fares discount and must have been a member for at least six months immediately prior to the date of commencement of travel.</p> <p>(v) The travel group may include the spouse and dependent children of a member of the Organization from which the party to be transported is drawn. In addition, parents living in the same household as a member may be included. However, any such spouse, dependent children or parents must be accompanied on the flight by such member, unless the member has been compelled to cancel his passage.</p> <p>(vi) <u>Limitation of Solicitation</u> With respect to the formation of Affinity Groups:</p> <p>(aa) Solicitation is limited to personal letters, circulars and telephone calls addressed to members of the Organization, to group publications intended solely for members of the Organization (or for members of the federation or organization to which the Organization belongs) and to any other form of solicitation not defined as public solicitation (see below).</p> <p>(bb) Solicitation must be effected only by officials of the Organization or members of the travel group.</p> <p>(cc) The travel group must not be gathered directly or indirectly by a person engaged in soliciting or selling transportation services or providing or offering to provide transportation to the general public. However, the mere ascertainment of the group fare and/or its collection from members of the travel group will not of itself be considered as engaging in such acts.</p> <p>(dd) If the organizers of the travel group employ a travel agent to assist in the travel arrangements, he must in no way solicit members of the travel group. However, after the party to be transported is formed, the travel agent may contact members of the group for the purposes of arranging other travel services in addition to assisting in travel arrangements.</p> <p>(vii) <u>Definition of "Public Solicitation"</u> Public solicitation will be considered to exist when the group transportation is described, referred to, announced in advertisements or any other writing or means of public communication, whether paid or unpaid, including but not limited to, telephone campaigns, radio, telegraph and television. However, a statement in public news media other than advertisement, which could not reasonably be construed as calculated or likely to induce travel as a member of the travel group and which has not been initiated by the Organization, any member of the travel group carrier or an agent or representative of any of them, will not be considered public solicitation.</p> <p>(b) <u>Incentive/Own Use Group Requirements</u> The travel group shall be formed only for own use of one person or a legal entity, such as an association, partnership, company or corporation (referred to as the "Purchaser"). Such Purchaser may not, wholly or partially, directly or indirectly, share the cost of the air transportation with other persons interested in obtaining such transportation, including the passengers carried. However, such cost may be raised by voluntary contributions if:</p> <p>(i) the voluntary contributions are not solicited/obtained solely from the passengers to be carried;</p> <p>(ii) participation in the travel group is not limited to those actually contributing;</p> <p>(iii) the minimum amount of each person's contribution has not been prescribed by the Purchaser; and</p> <p>(iv) each person to be included in the travel group is selected by the Purchaser and for reasons other than such person's request that he/she be included in the travel group.</p> <p>(c) <u>Incentive Group Requirements</u></p> <p>(1) Incentive Groups mean groups of employees and/or dealers and/or agents (including their spouses) of the same business firm(s), corporation(s) or enterprise(s) (excluding non-profit organizations), also referred to as the "organization", travelling under an established Incentive Travel Program which rewards the employee, dealers and agents for past work or provides an incentive for future activities.</p>

APPLICATION OF TARIFF

(A) GENERAL

- (1) This tariff shall apply to carriage of passengers and baggage including all services incidental thereto performed by Carrier under local and joint rates and charges of Carrier contained in tariffs which make specific reference to this tariff for governing rules, regulations and conditions of carriage.
- (2) Fares and charges or monetary amounts shown in dollars or cents are stated in terms of U.S. currency except where fares and charges or monetary amounts are specifically stated as being published in Canadian currency or other currency.
- (3) (a) Rules in this tariff govern the application of all fares and charges published in tariffs which specifically refer to and are made subject to this tariff with such exceptions as may be expressly stated in such tariffs. These rules constitute the conditions upon which each carrier transports or agrees to transport and are expressly agreed to by the passenger to the same extent as if such rules were included as conditions in the contract of carriage.
 (b) The fares, routings and rules published herein take precedence over fares published in the Industry Fares section of International Passenger RULES AND FARES Tariff No. TARF-1, C.A.B. No. 531 in which FI is a participant. Except as otherwise provided, fares are published in the Industry Fares Section of C.A.B. No. 531, International Passenger Rules and Fares Tariff No. TARF-1, on behalf of FI and provided that such fares shall not apply to direct service markets, i.e., markets served on a non-stop or single-flight-number basis of FI, which are published herein. Additionally, fares to/from a country published in the Industry Fares Section of C.A.B. No. 531, International Passenger Rules and Fares Tariff No. TARF-1, shall not apply, if FI published any fare to/from the same country in this tariff.
- (4) The rates, fares, charges, classifications, rules, regulations, practices and services provided herein and in tariffs governed by this tariff have been filed in each country in which filing is required by treaty, convention or agreement entered into between that country and Canada, in accordance with the provisions of the applicable treaty, convention or agreement.
- (5) Except as otherwise provided below, fare rule provisions, local or joint fares, including arbitraries, contained in the On-line Tariff Database maintained by Airline Tariff Publishing Company, Agent on behalf of FI are considered to be part of this tariff.

C

(B) GRATUITOUS CARRIAGE

With respect to gratuitous carriage, carrier reserves the right to exclude the application of all or any part of this tariff.

(C) CHANGE WITHOUT NOTICE

Except as may be required by applicable laws, government regulations, orders and requirements, Carrier's rules, regulations and conditions of carriage are subject to change without notice; provided, that no such change shall apply to a contract of carriage after the carriage has commenced.

(D) When rules or provisions in this tariff or tariffs governed hereby provide for the application of fares and charges based upon percentages of other fares and charges, such proportionate fares and charges will be determined in accordance with the Percentage Conversion Table of this tariff.

(E) EFFECTIVE RULES, FARES AND CHARGES

Except as otherwise provided herein, the applicable rules, fares and charges for carriage of passengers and/or baggage are those duly published by Carrier and shall be those in effect on the date of commencement of carriage covered by the first flight coupon of the ticket. When the fares or charges collected are not the applicable fares or charges, the difference will be refunded to or collected from the passenger, as may be appropriate.

EXCEPTION 1: (Applicable only for sales and tickets issued in the U.S.A. for local and joint transportation originating in the U.S.A.) No increase will be collected in cases where the ticket has been issued prior to the effective date of a tariff containing an increase in the applicable fare, affected through a change in fare level, a change in conditions governing the fare, or a cancellation of the fare itself, provided:

- (a) The originating flight coupon of the ticket was issued for a specific flight at the fare contained in a tariff lawfully in effect on the date of ticket issuance (determined by the validation on the ticket);
- (b) The originating flight shown on the ticket is not voluntarily changed at the passenger's request subsequent to the effective date of any increase in the applicable fare;

NOTE: The provisions of subparagraph (a) and (b) above will not apply to tickets issued at published standby fares.

SECTION I—GENERAL RULES

ADMINISTRATIVE FORMALITIES, PASSPORTS, VISAS AND TOURIST CARDS(A) COMPLIANCE WITH REGULATIONS

The passenger shall comply with all laws, regulations, orders, demands or travel requirements of countries to be flown from into or over, and with all rules, regulations and instructions of Carrier. Carrier shall not be liable for any aid or information given by any agent or employee of Carrier to any passenger in connection with obtaining necessary documents or complying with such laws, regulations, orders, demands, requirements or instructions, whether given orally or in writing; or for the consequences to any passenger resulting from his failure to obtain such documents or to comply with such laws, regulations, orders, demands, requirements or instructions.

(B) PASSPORTS AND VISAS

- (1) The passenger must present all exit, entry and other documents required by laws, regulations, orders, demands or requirements of the countries concerned. Carrier will refuse carriage to any passenger who has not complied with applicable laws, regulations, orders, demands or requirements or whose documents are not complete. Carrier is not liable to the passenger for loss or expense due to the passenger's failure to comply with this provision.
- (2) Subject to applicable laws and regulations, the passenger agrees to pay the applicable fare whenever carrier, on government order, is required to return a passenger at his point of origin or elsewhere due to the passenger's inadmissibility into a country, whether of transit or of destination. Carrier will apply to the payment of such fares any funds paid by the passenger to carrier for unused carriage, or any funds of the passenger in the possession of carrier. The fare collected for carriage to the point of refusal or deportation will not be refunded by carrier.

(C) CUSTOMS INSPECTION

If required, the passenger must attend inspection of his baggage, checked or unchecked, by customs or other government officials. Carrier accepts no responsibility toward the passenger if the latter fails to observe this condition. If damage is caused to carrier because of the passenger's failure to observe this condition, the passenger shall indemnify carrier therefore.

(D) GOVERNMENT REGULATION

No liability shall attach to carrier if carrier in good faith determines that what it understands to be applicable law, government regulation, demand, order or requirement requires that it refuse and it does refuse to carry a passenger.

REVISED ROUTINGS, FAILURE TO CARRY AND MISSED CONNECTIONS

(A) CHANGES REQUESTED BY PASSENGER

(1) At the passenger's request, carrier will effect a change in the routing, (other than the point of origin), carrier(s), class(es) of service, destination, fare or validity specified in an unused ticket, flight coupon(s) or Miscellaneous Charges Order by issuing a new ticket or by endorsing such unused ticket, flight coupon(s) or Miscellaneous Charges Order, provided that:

- (a) such carrier issued the original ticket or:
- (b) such carrier is the carrier designated in the via carrier box, or no carrier is designated in the via carrier box, of the unused flight coupon or Miscellaneous Charges Order for the first onward carriage from the point on the route at which the passenger desires the change to commence; however, where the carrier who issued the ticket is designated as carrier for any subsequent section(s) and has an office or general agent, who is authorized to make endorsements, at the point on the route where the change is to commence, or where the passenger makes his request for such change, the reissuing carrier shall obtain such issuing carrier's endorsement; or
- (c) such carrier has received written or telegraphic authority to do so from the carrier entitled, under (A) or (5) above, to effect the change.

(2) When the rerouting results in a change of fare, the new fare and charges shall be constructed as follows:

(a) (Not applicable to/from points in the U.S.A.) - If the destination is unchanged, the new fare shall be constructed from the last fare construction point preceding the point at which the rerouting takes place, as shown on the ticket submitted for rerouting, to the fare construction point shown on the ticket submitted for rerouting, beyond which the original fare construction remains applicable.

Note 1: For the purposes of this rule, fare construction point, as used herein, means the point to which the previous fare was calculated.

(b) (Not applicable to/from points in the U.S.A.) - If the destination is changed, the new fare shall be constructed from the last fare construction point preceding the point at which the rerouting takes place, as shown on the ticket submitted for rerouting, to the new destination:

Note 1: The points of origin and destination, as well as the point of outward destination in the case of a round trip ticket, shall also be fare construction points, and the fares and charges to be used for the construction of the new fare shall be those which would have been applicable as of the date of commencement of carriage.

Note 2: For the purpose of this rule, fare construction point, as used herein, means the point to which the previous fare was calculated.

(c) (Applicable only from/to points in the U.S.A.) - The new fare shall be calculated upon the basis of that which would have been applicable had the passenger purchased transportation for the revised itinerary (which includes those points for which transportation has already been completed) prior to departure from point of origin.

(d) Additional passage at the through fare and charges shall not be permitted unless request therefore has been made prior to arrival at the destination named on the original ticket or Miscellaneous Charges Order; and, after carriage has commenced:

- (i) a one-way ticket shall not be converted into a round, circle or open jaw trip ticket at the round, circle or open jaw trip discount for any portion already flown. Discount will be applied only to any rerouted portion of the trip and only from the point of rerouting, not based on any portion of the trip already flown;
- (ii) a round, circle or discounted open jaw trip ticket can be converted into any other one of these categories provided that the request therefore is made prior to arrival at the destination named on the original ticket or Miscellaneous Charges Order.

(3) Any difference between the fares and charges applicable under sub-paragraph (2) above, and the fares and charges paid by the passenger, will be collected from the passenger by the carrier accomplishing the rerouting who will also pay to the passenger any amounts due on account of refunds.

(4) The expiration date of any new ticket issued for a revised routing will be limited to the expiration date that would have been applicable had the new ticket been issued on the date of sale of the original ticket or Miscellaneous Charges Order.

(5) Time limits on cancellations and charges for late cancellations will be applicable to revised routings requested by passenger.

RULE

SECTION I - GENERAL RULES

87

DENIED BOARDING COMPENSATION

For the purpose of this rule, except as otherwise specifically provided herein:

AIRPORT means the airport at which the direct or connecting flight, on which the passenger holds confirmed reserved space, is planned to arrive or some other airport serving the same metropolitan area, provided that transportation to the other airport is accepted (i.e. used) by the passenger.

ALTERNATE TRANSPORTATION is air transportation (by an airline licensed by the Department of Transportation) or other transportation used by the passenger which, at the time the arrangement is made, is planned to arrive at the passenger's next scheduled stopover (of 4 hours or longer) or if none at the airport of final destination no later than 4 hours after the passenger's originally scheduled arrival time.

CARRIER means

(A) a direct air carrier, except a helicopter operator, holding a certificate issued by the Department of Transportation pursuant to section 401(d)(1), 401(d)(2), 401(d)(5), or 401(d)(8) of the Act, or an exemption from section 401(a) of the Act, authorizing the scheduled foreign air transportation of persons.

(B) a foreign route air carrier holding a permit issued by the Department of Transportation pursuant to section 402 of the Act, or an exemption from section 402 of the Act, authorizing the scheduled foreign air transportation of persons.

COMPARABLE AIR TRANSPORTATION means transportation provided to passenger at no extra cost by a carrier as defined above.

CONFIRMED RESERVED SPACE means space on a specific date and on a specific flight and class of service of a carrier which has been requested by a passenger and which the carrier or its agent has verified, by appropriate notation on the ticket or in any other manner provided therefore by the carrier as being reserved for the accommodation of the passenger.

STOPOVER means a deliberate interruption of a journey by the passenger, scheduled to exceed four hours, at a point between the place of departure and the place of final destination.

THE SUM OF THE VALUES OF THE REMAINING FLIGHT COUPONS means the sum of the applicable one-way fares including any surcharges and air transportation taxes, less any applicable discounts.

VOLUNTEER means a person who responds to carrier's request for volunteers and who willingly accepts carrier's offer of compensation, in any amount, in exchange for relinquishing his confirmed reserved space. Any other passenger denied boarding is considered for the purposes of this rule to have been denied boarding involuntarily, even if he accepts denied boarding compensation.

(A) APPLICABLE ONLY TO FLIGHTS OR PORTIONS OF FLIGHTS ORIGINATING IN THE UNITED STATES

(1) CONDITIONS FOR PAYMENT OF COMPENSATION

Subject to the exceptions in this subparagraph, carrier will tender to the passenger the amount of compensation specified in subparagraph (2) when:

- (a) Passenger holding a ticket for confirmed reserved space presents himself/herself for carriage at the appropriate time and place, having complied fully with carrier's requirements as to ticketing check-in (See Rule 12(F)) and reconfirmation procedures and being acceptable for transportation under carrier's tariff; and
- (b) The flight for which the passenger holds confirmed reserved space is unable to accommodate the passenger and departs without him/her.

- EXCEPTION: The passenger will not be eligible for compensation if:
- (1) The flight upon which the passenger holds confirmed reserved space is unable to accommodate him/her because of substitution of equipment of lesser capacity when required by operational and/or safety reasons; or
 - (2) Passenger is accommodated on the flight for which he/she holds confirmed reserved space, but is offered accommodations or is seated in a compartment of the aircraft other than that specified on his/her ticket, provided that a passenger seated in a section for which a lower fare is charged shall be entitled to an appropriate refund.
 - (3) If the carrier arranges comparable air transportation accepted by the passenger which at the time such arrangement is made, is planned to arrive at the airport of the passenger's next stopover, or if not later than one hour after the time the direct connecting flight on which the confirmed space is held.

RULE	SECTION I - GENERAL RULES
-------------	----------------------------------

130	FARES
C	+[C] (A) <u>GENERAL</u> Except as provided in paragraph (M) below, published fares apply only for carriage from the airport at the point of origin to the airport at the point of destination. All published fares governed by this tariff and all fares constructed in accordance with this tariff are applicable only when in compliance with all the provisions governing travel as stated herein. Mileage routings (see Maximum Permitted Mileage Tariff No. MPM-1, C.A.B. No. 424, NTA(A) No. 239 may be applied to any published or constructed fare; however, if a diagrammatic or linear routing is specified in connection with a fare, such routing must be observed for that portion of the transportation covered by that fare. For the purposes of this rule: (1) U.S.A. and Canada shall be considered as one country, and (2) Denmark, Norway and Sweden shall be considered one country.
C	+[C] (B) <u>PRECEDENCE OF FARES</u> Unless otherwise provided in Carrier's tariffs, a published fare takes precedence over the combination of intermediate fares applicable to the same class between the same points via the same routing except as provided in paragraph (C) below. For the purposes of this rule, a published fare includes a fare obtained by combining a published arbitrary and a published international fare.
C	+[C] (C) <u>ROUND TRIP FARES</u> Unless otherwise specified, the fare for a round trip shall be: (1) the round trip fare published in the applicable tariff(s) of carrier(s) via the desired routing and for the class of service used, or (2) twice the through one way fare applicable to the outbound journey, or (3) round trip fares which by their own terms are combinable may be used with other fares on the basis of half the round trip instead of one way fare, provided that the more restrictive fare conditions apply to the entire round trip journey.
C	+[C] (D) <u>CIRCLE TRIP FARES</u> Unless otherwise specified, the fare for a circle trip shall be the lowest combination of half round trip fares in the direction of travel along respective sections involved in the trip, beginning the calculation from the point of origin of the trip; provided that: (1) for the fare component into the country of origin, the fare applicable to such component from the country of origin shall be used, (2) only those fares, which by their own terms are combinable, shall be used in construction of circle trip fares, and (3) the more restrictive fare conditions shall apply to the entire round trip journey. (4) The fare for a circle trip shall not be less than the highest direct normal or special round trip fare, as appropriate, applicable to the lowest class of service used from the point of origin to any stopover point on the route of travel, including separately assessed side trips. (5) In the case of around the world journeys, if round trip fares in opposite global directions exist between the point of origin and any stopover point, the fare shall not be less than the lower of such round trip fares from the point of origin. (6) The provisions in paragraphs (4) and (5) above need not be applied for points on a journey which have been excluded from the higher intermediate point rule, subject to the same conditions contained in the exclusion.

RULE **SECTION I - GENERAL RULES**

C145 **+ [C] CURRENCY APPLICATIONS-PART A** (Applicable to tickets issued on/before June 30, 1989).

(A) STATEMENT OF FARES AND CHARGES
 Fares and charges governed by this tariff are stated as follows:
 (1) In U.S. dollars for travel originating in the U.S.A.;
 (2) In the currency of the country of origin for travel originating in Areas 2 and 3; and
 (3) In Fare Construction Units (FCU's) in order to calculate fares where not specifically published in the currency of the country of origin.
EXCEPTION: When fares governed by this tariff are published in USD only, and do not indicate that they apply only for travel from/to the U.S.A. (i.e. fares bearing a footnote F or T); these fares apply for travel originating in the U.S.A. and they also apply for travel originating outside the U.S.A. for destination to the U.S.A. To obtain the local currency fare, convert the published USD amount to the local currency by the Bankers' Buying Rate.

(B) CONVERSION OF FCU'S AND ARBITRARIES TO THE CURRENCY OF THE COUNTRY OF ORIGIN
 For the purpose of this rule, arbitrary amounts in U.S. dollars will be considered as FCU's; arbitrary amounts published between two points in the U.S. in FCU will be considered as U.S. Dollars.
 When fares and charges are not published in the currency of the country of origin, FCU's must be converted to such currency in accordance with the following steps:
Step 1: Determine the applicable fare/charge in FCU's as published or in accordance with Rule 130 (FARES). Include stopover/weekend surcharges only. For travel originating in any country with a negative currency adjustment as shown in column 5 of the Currency Conversion Table below.
Step 2: Refer to the Currency Conversion Table below and multiply the FCU amount from step 1 by any positive or negative currency adjustment percentage shown in column 5 opposite the country of origin and for the applicable fare type.
 Round the amount obtained as follows:
 (a) When a currency surcharge (positive percentage) applies, round up to the next higher .10 FCU;
 (b) When a currency deduction (negative percentage) applies, round down to the next lower .10 FCU.
EXCEPTION: When converting FCU's to U.S. Dollars, the result of this step is rounded up to a whole FCU amount if .50 or more and rounded down to whole FCU amount if .49 or less.
Step 3: Add or subtract the currency surcharge or deduction obtained in step 2 to or from the amount from step 1.
Step 4: Add to the amount from step 3 any additional amounts such as Stopover and Weekend Surcharges if not included in step 1.
Step 5: Refer to the Currency Conversion Table below and multiply the FCU amount from step 4 by the conversion rate shown opposite the country of origin in column 6 and round up the resulting amount to the next higher currency unit shown in column 7.
EXCEPTION 1: U.S. Dollar amounts of 50 cents or more are rounded up to the next higher dollar while amounts of 49 cents or less are rounded down to the next lower dollar.
EXCEPTION 2: U.K. pounds are rounded as follows:

Amount	Rounded To
.01-.49 pounds	Next lowest 1 pound
.50-.99 pounds	Next highest 1 pound

FI'S FREQUENT FLYER PROGRAM - ICELANDAIR SAGA CLUB

(A) ELIGIBILITY

- (1) Members of the Icelandair Saga Club who comply with the rules, regulations, conditions and limitations of the program, may accumulate points, and use awards and tickets to receive, based on the points accumulated, awards applicable for free/discounted transportation on FI, and participating partners, except in countries where this program is prohibited.
- (2) Airline employees are not eligible to accrue points or benefits under the program when travelling at free or reduced fares.

(B) GENERAL TERMS

Terms and Conditions

(1) Conditions for Membership

Individuals, 18 years of age or older, are eligible for membership. Corporations, organizations and or other entities are not eligible for membership. In applying for membership the applicant authorizes Icelandair to use all stored information for marketing and public relations purposes. An application will only be accepted if it is fully completed. All applications and notifications of change of address or names must be signed by the applicant/member. Members may only hold one points account. A member may resign from the program at any time by sending written notice to Icelandair Customer Club along with his or her card, cut in half. All accumulated points will then be cancelled. Notice that each email address can only be assigned to one member.

(2) The Points Award System

Members earn points by buying and using the services of Icelandair and its service partners which are specified as granting Award Points. Points can be earned for flights taken 30 days prior to application to the Saga Club. Only tickets indicating a published fare give points. No Award Points are given for fares issued under special agreements and/or special offers. The number of points depends on the price of the ticket, length of the trip and booked class of travel. No points are given for an issued ticket until travel is completed. In the case of an upgrade, points are based on the class paid for. BEST and SPEC fares are not available upgrades for points. Saga Gold and Saga Silver benefits only applies when travelling on Icelandair's schedule flights.

(3) Earning Points

Every time you book a scheduled Icelandair flight or a partner's services, accommodation or car rental, you need to present your Icelandair Saga Card, or state the Saga number and name as it appears on the card. The number must be registered whenever a reservation is made, otherwise no points will be accredited to your account. Points can not be registered at check-in at airport. No points can be earned prior to registration to the program. Two kinds of points are given: Award Points and Card Points. Award Points are used to obtain travel, accommodation or car rental awards. Card Points determine entitlement to membership of Saga Silver or Saga Gold. All Icelandair scheduled flights give both Award Points and Card Points. Services purchased from partners give Award Points. Only tickets indicating a published fare give points. In the case of an upgrade, points are given based on the booked and paid class, not the upgraded class. Points are given for completed travel. No points are given for tickets that are purchased but not used. Icelandair may add service partners to the program. Services of partners specified in the current points table give Award Points, but not Card Points. In the case of death of a member, one legal heir may apply for membership and have the Award Points transferred to his/hers account. Card Points cannot be inherited.

(i) Points Statement

Members can study their points statements on our website by entering their username and password through the Log-in.

(ii) Correction of Points Statements

If anything has been incorrectly registered or omitted in your statement you can send a copy of your flight ticket or copies of receipt from our service partners within the next 12 months. For corrections to points registration for car rentals, you must send a copy of the car rental agreement, and for corrections to points registration for hotel accommodation, you must send a copy of the hotel bill to the Icelandair Saga Club. Icelandair has to be contacted if points are missing for flight with them. It is also advisable to keep all flight tickets and boarding passes in order to be able to claim a correction.

(iii) Travel Awards and Service Awards

Once you have accumulated a sufficient number of Award Points, you can apply for a travel Award or service Award. Members shall order travel Awards on Icelandair Saga Club web-site or they can contact Icelandair Sales Agent. Award Points can be used for friends and relatives. Award flights may be taken at any time of year. Seating availability is dependent on supply and demand. It is therefore vital for members to book their flights well in advance. Reservations for travel Awards on scheduled Icelandair flights may be changed after tickets have been issued for a change fee. Members must hold a valid card and must have accumulated sufficient points to qualify for the travel or service Award applied for. Award Points can not be used as part-payment for a flight ticket. Points can be bought with the Saga Club Buy program, you can purchased up to 60,000 Saga Club Award Points per member, per calendar year. Maximum 20,000 Award points can be bought in one transaction. Now if you're close to reaching an award, the Saga Club BUY program lets you purchase the points you need to reach your goal and claim an award. Please allow 24 hours for the points to post to your account. To Buy, Give or Share points members have to sign in to 'My Account'. Transaction fee is added to each transaction.
